RE: Program Guidelines / Application

**INTRODUCTION**

In 1996, the Congress passed sweeping affordable housing reform legislation for American Indians and Alaska Natives called the Native American Housing and Self Determination Act (NAHASDA). This legislation, transformed the way that these Native groups provided affordable housing on rural Indian reservations and Alaska Native villages and opened the door for increased partnerships with financial institutions and most importantly, enabled the federal policy of self-determination to be extended to affordable housing. NAHASDA provides the mechanism for Native peoples to receive block grants based on a needs and population based formula and access to a federal mortgage loan guarantee called the 184 Program. American Indians and Alaska Natives are empowered through NAHASDA to dedicate these resources based on the individual and unique affordable housing solutions determined by their communities. NAHASDA funding is dedicated to Indian and Alaska Native Tribal Governments for further designation to entities of their choosing to implement affordable housing goals in their communities.

In 2000, the Congress amended NAHASDA with Title VIII to provide similar funding for Native Hawaiian families on Hawaiian home lands set aside under the Hawaiian Homes Commission Act of 1920 (HHCA). The Department of Hawaiian Home Lands (DHHL) is the designated recipient for annual NAHASDA block grants and loan guarantees. This congressional amendment is the first time in the history of the HHCA that the federal government has provided any significant level of financial investment into the Hawaiian home land program for affordable housing activities.

NAHASDA requires that each block grant recipient develop a five-year plan and a one-year plan for each annual block grant allocation. As such, DHHL prepares, in consultation with the Native Hawaiian community, a Native Hawaiian Housing Plan (NHHP) each year that includes goals, objectives and tasks for implementation by DHHL as recipient and other entities as sub-recipients. NAHASDA further defines the eligible categories and activities by which block grant funding may be expended.

This NAHASDA Sub-Recipient Application is provided to solicit project and program proposals from eligible entities for NAHASDA funding to implement the goals and objectives approved by the Department of Housing and Urban Development (HUD) and described in the NHHP.

### **NATIVE HAWAIIAN HOUSING PLAN GOALS AND OBJECTIVES**

The HUD requires DHHL to develop a one (1) year and a five (5) year NHHP for each appropriation. Refer to the Appendix for the NHHP for the current program year.

### **ELIGIBLE APPLICANTS**

An applicant must be a local public entity, nonprofit corporation or a for-profit corporation engaged in or that will be engaged in developing, conducting, administering or coordinating assistance programs which will aid eligible beneficiaries.

### **ELIGIBLE BENEFICIARIES**

All funded program/projects must serve eligible beneficiaries. Eligible beneficiaries are low-income Native Hawaiian families who are eligible to reside on the Hawaiian home lands.

Low-income Native Hawaiian families are those, whose adjusted gross income does not exceed 80% of the median income for the area. (See Appendix for the current State of Hawaii income guideline.)

Native Hawaiian means any individual who is:

1. A citizen of the United States; and
2. A descendant of the aboriginal people who, prior to 1778 occupied and exercised sovereignty in the area that currently constitutes the State of Hawaii, as evidenced by;
  - a. Genealogical records;
  - b. Verification by kupuna (elders) or kama'aina (long-term community residents); or
  - c. Birth records of the State of Hawaii

### **ELIGIBLE CATEGORIES AND ACTIVITIES**

Eligible affordable housing activities are development, housing services, housing management services, crime prevention and safety activities and model activities. NAHASDA funds may only be used for eligible activities that are consistent with DHHL's housing plan.

Based on the Interim Rule the following activities are eligible:

#### **Category 1 - Development - All development must occur on Hawaiian home lands.**

(a) NAHASDA funds may be used for the acquisition, new construction, reconstruction, or moderate or substantial rehabilitation of affordable housing for homeownership or rental, which may include:

- (1) Real property acquisition;
- (2) Acquisition of affordable housing;
- (3) Financing acquisition of affordable housing by homebuyers through:
  - (i) Down payment assistance
  - (ii) Closing cost assistance

- (iii) Direct lending; and
    - (iv) Interest subsidies or other financial assistance
  - (4) New construction of affordable housing;
  - (5) Reconstruction of affordable housing;
  - (6) Moderate rehabilitation of affordable housing, including but not limited to:
    - (i) Lead-based paint hazards elimination or reduction;
    - (ii) Improvements to provide physical accessibility for disabled persons; and
    - (iii) Energy-related improvements;
  - (7) Substantial rehabilitation of affordable housing, including but not limited to:
    - (i) Lead-based paint hazards elimination or reduction;
    - (ii) Improvements to provide physical accessibility for disabled persons; and
    - (iii) Energy related improvements
  - (8) Site improvement, including recreational areas and playgrounds for use by residents of affordable housing and on-site streets and sidewalks;
  - (9) The development of utilities and utility services;
  - (10) Conversion
  - (11) Demolition
  - (12) Administration and planning; and
  - (13) Other related activities, such as environmental review and architectural and engineering plans for the affordable housing project.
- (b) Multi-unit projects. Funds may be used to assist one or more housing units in a multi-unit project. Only the actual NAHASDA eligible development costs of the assisted units may be charged to the NAHASDA Program. If the assisted and unassisted units are not comparable in terms of size, features, and cost of bedrooms, the actual cost of the NAHASDA-assisted units can be determined by prorating the total NAHASDA eligible development costs of the project so that the proportion of the total development costs charged to the NAHASDA Programs does not exceed the proportion of the NAHASDA-assisted units in the project.

**DHHL is currently not accepting applications for funding new housing construction.**

### **Category 2 - Housing Services**

Funds may be used for the provision of housing-related services for affordable housing, including:

- (a) Housing counseling in connection with rental or homeownership assistance;
- (b) The establishment and support of resident organizations and resident management corporations;

- (d) Activities related to the provisions of self-sufficiency and other services;

- (g) Tenant-based rental assistance, which may include security deposits and/or first month's rent; and
- (h) Other services related to assisting owners, tenants, contractors, and other entities participating or seeking to participate in other housing activities assisted pursuant to the Act and this part.

### **Category 3 - Housing Management Services**

Funds may be used for the provision of management services for affordable housing, including:

- (a) The preparation of work specifications;

- (b) Security personnel for affordable housing; and
- (c) Equipment for patrols

### **Category 5 - Model Activities**

Funds may be used for housing activities under model programs that are:

- (a) Designed to carry out the purposes of the Act and this part; and
- (b) Specifically approved by HUD as appropriate for those purposes

### **FUNDING LEVELS AND PROGRAM/PROJECT TERM**

The minimum funding level of this program is \$10,000

There is currently no maximum funding level.

The program/project term is not to exceed 24 months.

### **PROGRAM/PROJECT CONCEPT AND DEVELOPMENT**

The NAHASDA Sub-Recipient Grant Program application requires that you describe in great

detail the particular program/project you are proposing and requesting to be funded. The development of the proposed program/project follows a specific process and outline. This process relates directly to the questions you will be asked to answer in the application.

What follows is a brief explanation of the program/project development process to help you to better understand the application.

1. The initial step involves identifying and describing the specific **Targeted Community** to be served. This includes explaining the issues and challenges of that community and stating which of those needs the proposed program/project will address.
2. To explain the program/project you are proposing, you will need to clearly state the primary **Goal** of the program/project. The program/project goal is a general statement that represents the desired outcome. The program/project goal should obviously be linked to the community needs of the targeted community that this particular program/project intends to focus on.
3. The next step is to determine the series of **Objectives** that need to be accomplished in order to achieve the stated program/project goal. An objective is a concise statement of one thing that must be completed to help accomplish your program/project goal. The objectives collectively describe HOW the program/project goal will be fulfilled.
4. For each objective you will need to complete a **Work Plan**. The work plan describes in detail the planned approach for reaching the objective by listing the various **Activities** to actualize the objective, the **Outcome** that states the expected benefits or results from achieving the objective, **Who** will be responsible and **Timeframes**. You will also need to explain the **Criteria** or measurable ways you will **Evaluate** whether the objective produced the expected outcome (benefits/results) that you indicated. **When contracting activities (those outsourced by your agency/organization to a 3<sup>rd</sup> party for completion) you must adhere to Federal Procurement Guidelines.**
5. Additionally, you will also need to explain how your organization and your community partners have the experience, capabilities and resources to make the program/project successful and achieve the stated program/project goal.

Although the application structure does not follow the exact order outlined above, you will find all the components included in the application and you will need to respond to each one. At times, you will also need to support your ideas and plans with documentation. You will submit this supporting documentation as attachments with your application as directed throughout the application.

Samples of key portions of the application and visual representations of this process can be found for your reference in the Application Appendix.

## **APPLICATION INSTRUCTIONS**

The attached application is the standard application for all NAHASDA Sub-Recipient applicants. The application must be filled out completely and include all requested information. Please respond to all application guidelines by checking answer boxes where required, furnishing

requested information and giving complete narrative answers where appropriate. If necessary, insert additional pages into the Appendix in order to provide complete information.

Include all attachments. Indicate “not applicable” on both the application and in the attachment, where appropriate. If information is not available but is necessary to determine the eligibility of the applicant and/or the eligibility of the program/project (see Eligibility Criteria and Completeness Review section above), DHHL staff may reject the application as incomplete.

A checklist is furnished in the Application Appendix. Be sure all attachments are complete and included with the application. In addition to the checklist of attachments, the Appendix of the application has a set of tools to assist the applicants in the presentation of required information.

### **APPLICATION PROCESS**

Staff will conduct an eligibility and completeness review. An application deemed to be incomplete or ineligible will be removed from further review. The applicant will be notified in writing of the Department’s determination. The eligibility and completeness

review will be based on the minimum threshold criteria set forth below:

1. **Application completeness:** Applications must be filled out completely and include all attachments. The application must bear the original signature of the person authorizing the submittal and a certified resolution must authorize submittal of the application and have the appropriate original signatures.
2. **Applicant eligibility:** An applicant must be a local public entity, nonprofit corporation or a for-profit corporation engaged in or that will be engaged in developing, conducting, administering or coordinating assistance programs which will aid eligible Native Hawaiians. In addition, a State of Hawaii tax clearance for the applicant entity must accompany the funding application.
3. **Program/Project eligibility:** For each type of grant, applications will be reviewed, scored and selected separately with two types of review.
  - a. A threshold review to determine applications' eligibility
  - b. A technical review to rate the application based on the rating factors.
4. Each program/project will be reviewed and scored. **DHHL may not fund all programs/projects in the applications submitted.**

#### **APPLICATION CRITERIA AND SCORING**

All applications that are eligible and complete will be scored according to the following criteria:

1. **Background and Experience.** The extent to which you have the organizational resources and experience necessary to successfully implement the proposed activities in a timely manner.
2. **Community Needs/Extent of Problem:** This factor addresses the extent to which there is a need for funding your proposed program activities and your indication of urgency of meeting the need in your community. The urgency and need must be supported with appropriate data/sources specific to the community need and the proposed activity.
3. **Program/Project Objectives and Work Plan:** This factor addresses the quality and cost-effectiveness of your proposed work plan, the commitment of your institution to the proposed activities, and your actions regarding DHHL goals and objectives in the consideration of the program's/project's impact on targeted community.
4. **Partners and Resources:** This factor addresses the ability of the applicant to secure resources that can combine with DHHL program funds to achieve program objectives.
  - a. DHHL will consider the extent to which you have in-kind contributions and have partnered with other entities to secure additional resources
  - b. Letters of specific commitment that are dated no earlier than one month prior to the date of this application are required

5. **Coordination, Self-Sufficiency, and Sustainability:** This factor addresses the extent your organization coordinates activities with other organizations, participates in your community's planning process, and is working towards addressing a need in a holistic and comprehensive manner through linkages with other activities in the community.
- Specific coordination activities related to the application prior to submission
  - How your organization participates in the communities planning process. Include how you will take steps to develop linkages to coordinate comprehensive solutions through meetings and information networks
  - Institutionalization of program's/project's activities and how the proposed program's/project's results in the kinds of activities that will be sustained.

Each scoring criteria has been assigned a possible point value. The possible point value represents the greatest number of points that your application can receive for a given criteria. The following table outlines the criteria and the possible point value assigned to each.

CRITERIA	POINTS POSSIBLE
1. Background and Experience	15 points
2. Community Needs/Extent of Problem	15 points
3. Program/Project Objectives and Work Plan	40 points
4. Partners and Resources	10 points
5. Coordination, Self-Sufficiency and Sustainability	20 points
<b>TOTAL POINTS AVAILABLE:</b>	<b>100 points</b>

### **APPLICATION DETERMINATION**

All complete applications will be reviewed by DHHL staff for completeness, evaluated by a grants committee and applicants will receive a response within approximately 60 days. The applicant will receive a notice with one of the following determinations:

- Accepted
- Deferred for additional information.
- Denied with comment.

In the event that DHHL has deferred the application for additional information, the notice will outline the information needed to complete the review of the application and the timeframe in which it is to be submitted. Untimely submittal of requested information may result in the rejection of the application.

### **APPLICATION CYCLE**

Applications are available for the NAHASDA Sub-Recipient Grant Program year-round to allow applicants the time to develop the grant or funding application; however, applications will only be accepted for consideration 30 days prior to due date. ### **Certification Regarding Drug-Free Workplace Requirements**

Instructions for Drug-Free Workplace Requirements Certification:

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).

6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

**Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

**Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

**Criminal drug statute** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

**Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees or subrecipients or subcontractors in covered workplaces).

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about:

- (1) The dangers of drug abuse in the workplace;
- (2) The grantee's policy of maintaining a drug-free workplace;
- (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
- (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

- (1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).
